

## RETROFIT REPLACEMENT BLADES

Retrofit the Longest  
Lasting Blades in  
the Industry to Your  
Existing System.

### SKALPER® PRIMARY BELT CLEANER BLADES

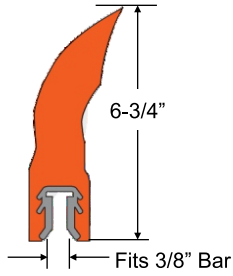

#### FEATURES AND BENEFITS:

- Most abrasive resistant urethane available.
- Patented Skalper® blade design.
- Unique horizontal sipes/wear grooves maintain an effective cleaning edge throughout the life of the blade
- Arc-shaped back of blade ensures a sharp cleaning edge.
- Blades offered for the full line of ASGCO® belt cleaners.
- Retrofit-replacement blades for many manufacturers/OEM models.
- All ASGCO® blades backed with our "Total Satisfaction" Guarantee.

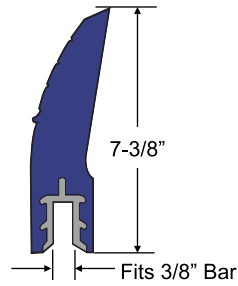

## RETROFIT REPLACEMENT BLADES

*The biggest and most abrasion resistant urethane blade available!*
