

DURA-SEAL™ (ORG)

Conveyor Skirtboard Sealing System

ASGCO® Dura-Seal™ (ORG) product is the toughest and most cut resistant material available for skirt-board sealing.

- **Abrasive and Cut Resistant** – Dura-Seal™ is the toughest and most cut resistant 45-durometer-rubber material available anywhere.
- **Exceptional Skitboard Sealing** – in abrasive and impact area conditions where cut and gauge is a problem, as seen in hard rock mining applications.

Dura-Seal™ (ORG) Conveyor Skirtboard Sealing System				
Part Number	Skirting Type Sealing Compound	Duro-meter	Thickness in	Width in
ADS-ORG-2544-B	Dura-Seal™ ORG Compound	45	1	4
ADS-ORG-2545-B	Dura-Seal™ ORG Compound	45	1	5
