

MULTI-SEAL™

Conveyor Skirtboard Sealing Compound

Multi-Seal™'s multiple sealing action is adjustable and reversible for the full life of the conveyor skirting material.

FLEXIBLE - works great where dust is a problem

MULTIPLE SEALING ACTION - as adjustable and reversible

- **Multiple Sealing** – action uses 3 deterrents to stop fines and dust from escaping the load zone.
- **Exceptional Sealing** – where you need flexibility and dust is a problem.
- **Superior Sealing** - combine Clamp-Mount® with Multi-Seal™

Multi-Seal™ Conveyor Skirtboard Sealing Compound			
Part Number	Skirting Type Sealing Compound	Thickness	Width
AMS-MTI-2228-S	Multi-Seal 55 Durometer	7/8"	8"
AMS-MTI-2228-S-EPDM	Multi-Seal 55 Durometer	7/8"	8"

* EPDM (ethylene propylene diene monomer)

** Available in 50' roll (length).
