

ASGCO® – Complete Conveyor Solutions
For Immediate Release
October 8, 2017

ASGCO® Clamp-Mount MDX™ Conveyor Skirtboard Sealing System with Dura-Seal™ (ORG) Skirting.....Stops Spillage and Dust in the Conveyor Transfer Point!

Allentown, PA.: ASGCO® – “Complete Conveyor Solutions” Clamp-Mount MDX™ mine duty skirting clamp, installs easily and allows for one person to replace or reposition the skirt rubber. This patent pending, stainless steel, clamp system is accessible from outside of the conveyor transfer point, significantly cutting installation and service time, while reducing risk and improving safety.

Combined with our Dura-Seal™ (ORG) skirting compound, the toughest and most cut resistant 45-durometer-rubber material available anywhere, this system provides exceptional sealing in harsh conditions such as those seen in hard rock mining applications.

About ASGCO®

ASGCO® “Complete Conveyor Solutions” founded in 1971 and headquartered in Allentown, PA is a leading manufacturer, distributor and service provider of proprietary conveyor and screening equipment and accessories that improve the safety and performance of bulk material handling systems.

ASGCO® is a diversified and innovative company with three major divisions that serve specific targets of the material handling industry. The growth of the company, over the years, is due to recognized improvements in the efficiency, safety and productivity of our customers operations. At ASGCO® we continue to strive to make the handling of bulk materials more efficient, safer, and more productive.
