

ASGCO® – Complete Conveyor Solutions  
For Immediate Release  
January 1, 2015

## **Worldwide Leader in Bulk Handling Innovations Expands Conveyor Training School**

Allentown, PA.: ASGCO® “Complete Conveyor Solutions”, the worldwide leader in providing the most effective products for bulk material handling, is proud to offer expanded training services for all customers. ASGCO® Conveyor Training (ACT™) school offers both in-house and on-site training created to provide your team with the highest quality instruction to solve your bulk material handling concerns.

ASGCO’s Business Development & Training Manager, Jeff Jurasits explains, "If your equipment is not applied or installed properly, it will not run efficiently. Having trained service crews to maintain and service your conveyor systems is extremely valuable in keeping conveyor systems continually running longer and producing more. Today’s service crews must be up-to-date on all of the latest splicing, installation, service and maintenance technology."

### **About ASGCO®**

ASGCO® “Complete Conveyor Solutions” founded in 1971 and headquartered in Allentown, PA is a leading manufacturer, distributor and service provider of proprietary conveyor and screening equipment and accessories that improve the safety and performance of bulk material handling systems.

ASGCO® is a diversified and innovative company with three major divisions that serve specific targets of the material handling industry. The growth of the company, over the years, is due to recognized improvements in the efficiency, safety and productivity of our customers operations. At ASGCO® we continue to strive to make the handling of bulk materials more efficient, safer, and more productive.
