

ASGCO® – Complete Conveyor Solutions
For Immediate Release
October 5, 2017

ASGCO® is proud to announce our new Rockville, VA Branch

Allentown, PA.: ASGCO® “Complete Conveyor Solutions” is proud and pleased to announce, we have successfully moved into our new distribution and service center in Rockville, Virginia. This full service and stocking branch will be better able to serve you, our customers, by having more inventory and larger service capabilities closer to our customers in Virginia. This new 10,000 square foot facility has 2 acres of lay down area for additional inventory and equipment for future expansion will be the start of many successful years in the great state of Virginia.

ASGCO®’s central location just off of Route I-64 and I-295 northwest of Richmond, provides quick access to all major corridors to give our experienced service fleet faster response time to our customers plant sites. The new Virginia location is fully stocked with a complete line of ASGCO® conveyor components and other “best in class” distributed products, including, conveyor belt, idlers, pulleys, feeders, gearboxes, screw conveyors, bucket elevators, screens (urethane, rubber, wire), bearings and other conveyor and screening components that are on the shelf and ready for your facility. Our services include, conveyor belt splicing, conveyor component change-outs, steel fabrication, chute lining, belt cleaner installation and maintenance programs, point cloud scanning, laser alignment services and conveyor safety and training classes.

ASGCO® has 6 distribution and service centers throughout North America and serves customers from the aggregates and other hard rock mining, bulk shipping terminals, recycling, pulp and paper, iron and steel, chemicals, minerals, energy (coal and biomass), wood and lumber, food processing and other bulk material handling industries.
