ASGCO® Gives Back to our Furry Friends.

ASGCO® “Complete Conveyor Solutions” has long been an active contributor to many charitable organizations and promotes the culture of giving and community awareness throughout its corporation.

This year at the ASGCO® 24th Annual Golf Outing, ASGCO® held a Charity Fundraiser for our furry friends at the Lehigh County Humane Society and Healthy Animal Center, both nonprofit organization mission in saving lives every day and working 24/7 to provide food, medical care, foster homes, adoption services, lost pet services, cruelty investigations, community outreach, and education to the community.

The annual golf outing is held every year to show appreciation to ASGCO® customers for their business and this year the event was a big and meaningful success with having a fundraiser for two important organizations. Everyone at the event was elated to donate and some gave a little more than expected for a great cause. ASGCO® donated 100% of all the contributions and matched it by donating \$1000 to each organization.

“We are proud to help give back to the people that do so much for our loving pets,” said Aaron Gibbs, President of ASGCO®.
