

URETHANE MULTI-SEAL™

Conveyor Skirtboard Sealing Compound

ASGCO®
Complete Conveyor Solutions

ASGCO's Urethane Multi-Seal™'s multiple sealing action is adjustable and reversible for the full life of the conveyor skirting material.

Features and Benefits

- **Multiple Sealing** – action uses 3 deterrents to stop fines and dust from escaping the load zone.
- **Exceptional Sealing** – where you need flexibility and dust is a problem.
- **Superior Sealing** - combine Clamp-Mount® with Multi-Seal™
- **Color Option** - available in both red or white
